Family & Bridal Party Information

Purpose: Keep track of all your family member and bridal party names and contact information in one document to make wedding planning go smoothly and so that you can send out wedding photos and videos after the wedding to everyone involved.

Directions:

1. In the Title column add any extra members of the bridal party not listed as needed
2. In the Name column write the first and last name of each person fulfilling each role or each family member for memory, record, and decision sake
3. In the Contact Information column list any pertinent contact information (phone numbers as needed on the day of the wedding and email addresses for further planning, documents, and for sending wedding photos/videos to after the wedding)
4. Each category has their own page and extra lines as needed
